Our History

FROM 1923 TO A GREATER TOMORROW

Atlanta Bible College originated from the Bible Training School operated by the National Bible Institution from 1923 until 1932 in Oregon, IL. Pastor F. L. Austin, as secretary of the Church of God General Conference, was its organizer and a leading Bible instructor.

Pastor G. E. Marsh administered the school during the term of 1931-32. During the economic depression of the 1930s the school was closed. In 1939 the school reopened under the leadership of Pastor Sydney E. Magaw and Pastor L. E. Conner. The reorganized school was named Oregon Bible College in 1942. Otto E. Dick, Sr., assumed the leadership of the college in 1949 and served as president until his death in 1963. Succeeding presidents or leaders have been: William M. Wachtel, 1963-1968; Dr. Alva G. Huffer, 1968-1975; John R. Lewis, 1975 until his death in 1979; David Krogh (Acting President), 1979-1980; Dr. Charles Pryor, 1980-1985; Dale Ramsey, Interim Administrative Coordinator, 1985; David Krogh, 1985- 2001; Dr. Joe Martin, Academic Dean, 2001-2002; Dr. Brian Atra, 2002-2003; Tim Jones 2003-2009; Dr. Joe Martin 2009 to 2016; Seth Ross, 2017 to present.

During the early years of the college, classes were conducted in the General Conference building at 131 North Third Street in Oregon, IL. Students were housed in a student home on South Third Street. In 1943 a twenty-acre site and building north of Oregon were purchased, where the college operated until 1950. In the fall of 1950 the college was moved back to North Third Street. The General Conference building was tripled in size to provide space for classrooms, offices, and a publishing department. In the fall of 1957 the Golden Rule Home on the corner of Seventh and Franklin Streets was converted into a dormitory for college students, to serve as the women's residence. In the fall of 1963 a men's residence was completed on 7th Street. A dormitory facility for women students was erected on campus during the summer of 1975 on Franklin Street. In 1980, the Golden Rule Building was remodeled into offices and classrooms. In August 1990, delegates to the 70th annual General Conference approved a recommendation to relocate Oregon Bible College to Atlanta, Georgia. Delegates at the 1991 conference voted to change the name to Atlanta Bible College. Classes opened in the new location in Morrow, Georgia for the 1991 fall semester. A classroom/office/library/chapel building was built on a 12 1/2 acre campus in Morrow, Georgia. A ten-unit apartment building for students was constructed in the fall of 1991.

In 2002, the Korean Extension was started to serve the Korean community by delivering courses that are taught in the Korean language. Steve An is the Vice President of the Korean Extension. By action of the Board of Directors of the College in February 2007, a decision was made to sell the present campus and to establish a campus in northeast Atlanta and another campus in Henry County. The Board of Regents for the Georgia University system approved the purchase of the ABC campus for their future expansion in March 2008. The college leased back the facilities until two new locations were opened. In January 2009, ABC opened its Henry County South Campus at the Avalon Business Center at 2020 Avalon Parkway, Suite 400 in McDonough, GA. The North Campus in Duluth, Georgia was located at 3500 Corporate Way. It opened in January 2010. This campus was relocated to 10700 Abbotts Bridge Road, Suite 180, Johns Creek, GA 30097 in August 2017.

In October 2013, the Board of Directors decided to open a branch of Atlanta Bible College in South Korea. Korean Extension Vice President Steve An moved to South Korea in February 2014 and, beginning in September, courses were taught in two locations: At the Yahtop Church in Seoul and in Boryung City. Faculty members were secured from those who have taught in the Korean Extension in Duluth, GA, as well as graduates of the Korean Extension who secured advanced degrees. In early 2016, Steve An returned to the Korean Extension Duluth campus and pastor Younghee An took over the operation.

Ministry

**BUT HE SAID TO
THEM, "I MUST
PROCLAIM THE
GOOD NEWS OF
THE KINGDOM
OF GOD TO THE
OTHER CITIES
ALSO: FOR I
WAS SENT FOR
THIS PURPOSE."**

SPIRITUAL DEVELOPMENT

LIVE A KINGDOM LIFE

ABC believes that the development of a student's spiritual life is vital. Participation at ABC is based upon not only academic preparation, but also upon spiritual preparation for ministry. It is not possible to succeed in ministry without adequate spiritual preparation. Students are urged to establish a quiet time of unhurried Bible reading, prayer, and fellowship with God. To assist in spiritual growth, a Personal Spiritual Development course is required to complete college programs.

CHAPEL SERVICES

Chapel services arranged by the staff and the students are regularly scheduled. A variety of worship and devotion is offered through chapel programs. Musicians, speakers, teachers, drama groups, films, and special Bible teachers provide avenues of enriched worship for students, faculty, staff, and guests of the college. Students who live in campus housing are expected to attend chapel services. All other students are encouraged to attend if possible.

CHURCH ATTENDANCE

Participation in a church provides opportunities for worship, fellowship with other believers, ministry, and instruction in the word. Students are strongly encouraged to be actively involved in a church.

ABC SERVICES

WE ARE HERE TO HELP

MEDICAL SERVICES

Emergency medical services are available near the South Campus and Henry Medical Center is located within about five miles.

COUNSELING

The faculty members of the Bible College have a deep concern for and interest in each student. The college encourages students to seek counsel on personal and spiritual problems. A decided advantage of a small school is the opportunity it provides for faculty and students to become acquainted on a more personal basis than is otherwise possible. In addition to counseling by the faculty and staff, professional counselors are available at a local Christian counseling office.

STUDENT CONDUCT

HELPING STUDENTS WALK A LIFE OF FAITH

A student handbook stressing Christian conduct and behavior will be given to each student upon entrance to school. The true Christian walk and behavior are produced through clear insight into God's Word and His will in the lives of His people. The following ethical philosophy based on the Bible and adopted by the Bible College is the basis of the student handbook:

- In the Holy Scriptures we have revealed to us both unchanging moral absolutes and guiding moral principles. Therefore, we are bound by the teaching of the Holy Scriptures as we develop our ethical standards.
- The Christian life is a life of development. Just as we grow in our understanding of the grace of God, so we grow in our understanding of Christian ethics.
- Christian institutions have a responsibility to train future Christian workers in a proper understanding of Christian behavior.
- To this end, campus regulations provide a campus situation which gives sufficient structure for moral and ethical training, while allowing sufficient freedom for personal growth and development.
- The Bible College therefore reserves the right to apply discipline for infraction of campus regulations and, if necessary, to dismiss students who consistently violate those regulations, or whose influence tends to undermine standards of school life.
- The use of tobacco, non-medicinal drugs, and alcoholic intoxicants is expressly forbidden on campus. Additional guidelines for student conduct are set forth in the student handbook.

PLAGIARISM

ABC expects students to be honorable in all their academic work. Dishonesty in exams, written papers, or any other academic work is contrary to scriptural principles of Christian living and is an affront to fellow students and the faculty. Plagiarism is presenting another's words or ideas as your own. Even if this happens unintentionally, it is still plagiarism. Plagiarism on an assignment will result in a failing grade for that assignment, as well as immediate placement on academic probation, which includes counseling with the Academic Dean. A second occurrence of plagiarism in that or any other course will result in a failing grade for the course. A third occurrence of plagiarism in that or any other course will result in dismissal from ABC. A dismissed student may apply for readmission after one year.

FINANCIAL INFORMATION

The Bible College depends on the Lord to work through His people to supply the financial needs of day-to-day operation and development. Each student pays about $\frac{2}{3}$ the real cost of his/her education. The remaining costs are met by:

- the Church of God General Conference, through member contributions
- the Atlanta Bible College Development Foundation
- friends and alumni of the Bible College who make direct contributions

We invite God's people to share in the support of the Bible College as He directs their interest and provides them opportunity to do so. Individuals and families are also encouraged to include the Bible College when preparing wills and/or purchasing life insurance policies.

If this is the case, a confidential email can be sent to a third-party intermediary at confidential@atlantabiblecollege.com.

CREDITS

The Bible College operates on the semester system. A credit or semester hour represents a minimum of one hour of class work or two or more hours of laboratory work a week, together with the necessary preparation, for one semester of sixteen weeks. The value of each course of instruction is stated in terms of semester hours.

For veterans, 1 semester hour is equivalent to 12.33 clock hours.

I — Work Incomplete

R — Course Repeated — Most recent attempt is used for grade, credit, and to calculate GPA.

The add and drop dates for class changes are printed in the catalog calendar. Students dropping a course after the drop date may petition the Academic Dean to receive a grade of "I" (incomplete), especially in cases of physical illness, emergency, unforeseen travel or relocation, or family needs or job change(s). If approved, the student must (a) pay the incomplete fee (\$25.00), and (b) complete the required work within the time period specified by the Academic Dean, generally eight weeks after the end of the term. Any incomplete not converted to credit within such time period automatically becomes the grade earned as of that date.

PROBATION. Any full-time or part-time student who makes an average below 2.0 on all hours pursued during a semester will be placed on probation.

REMOVAL FROM PROBATION. To be removed from probation a full-time or part-time student must make a C+ average (2.33) on all hours pursued during the next regular semester of enrollment.

SUSPENSION. Any student except a first-semester freshman who makes less than a D average (1.0) on all hours pursued during a regular semester may be suspended for one semester. Any student on probation who fails to earn at least a C average (2.0) on all hours pursued may be suspended for one semester.

REPEATING COURSES. A student may repeat any course regardless of the previous grade; the most recent attempt counts in the Institutional GPA even if the most recent is lower. Regular tuition charges will be paid for the repeated courses.

READMISSION. Any suspension for scholastic deficiency will be for one regular semester. Upon reentry after suspension for scholastic reasons, a student is placed on probation and will be suspended if he/she does not make a C average (2.0) on all hours pursued during his/her next semester of enrollment.

CREDIT FOR EXTRA-INSTITUTIONAL LEARNING. Atlanta Bible College has a policy of granting credit for learning that is attained outside authorized colleges and universities. Credit can be earned for learning acquired from work and life experiences, independent readings and study, and formal courses offered by associations, businesses, government, industry, etc. Documentation must be provided by the student and an assessment will be made by the Academic Dean. The student will be notified if the work is creditable and the number of credit hours that will be granted. The cost for life/learning credit is 50% of the regular tuition rate in effect at the time that the documentation is submitted. (See complete policy for more details.)

SEMINARS AND CONFERENCES

Students are encouraged to attend a seminar in the Atlanta area in a field that pertains to current academic work. Students will pay the registration fee for the seminar. Students are invited to attend the annual Ministerial Conference when held in the Atlanta area. Students are also invited to attend Christian Workers' Seminar, which is usually held in the spring, as well as the annual summer General Conference.

ATTENDANCE POLICY

1. Class attendance is regarded as an obligation as well as a privilege, and all students are expected to know attendance regulations and to attend regularly and punctually all classes in which they are enrolled. Failure to do so may jeopardize a student's scholastic standing and may lead to suspension from the college. Students absent, tardy, or early departures for more than 20% of classes may not earn credit for the course. Excused absences will be granted for extenuating circumstances only. Excused absences will be substantiated by entries in student files.
2. Each instructor keeps a permanent attendance record for each class. These records are subject to inspection by appropriate college officials.
3. Faculty members are required to state in writing and explain to the students their expectations in regard to class attendance prior to the close of the drop/add period.

STUDENT CLASSIFICATION

Freshmen, 1-30 semester hours; sophomores, 31-60 semester hours; juniors, 61-90 semester hours; seniors, 91 or more semester hours.

PLAGIARISM

The Bible College expects students to be honorable in all their academic work. All students are responsible for performing their own work. Dishonesty in assignments, examinations, written papers, or any other academic work is contrary to scriptural principles of Christian living and is an affront to fellow students and the faculty. Plagiarism is presenting another's words or ideas as your own. Even if this happens unintentionally, it is still plagiarism. It is equally unethical to assist another in plagiarism. The following are specific examples:

- The words, sentences, ideas, conclusions, examples, and/or organization of an assignment are borrowed from a source (book article, another student's paper, podcast, published research, online video, sermon, etc.) without acknowledging the source.
- A student submits work done by another student (in part or whole) in place of his or her own work.
- A student submits assignments received from commercial firms, copied from the Internet or from any other person or group.
- A student submits their own work from one class to meet the requirements of the work of another class.

A specific process exists to deal with instances of plagiarism, as follows:

1. Students are asked to sign a policy statement confirming they have read and understand the plagiarism policy.

2. Plagiarism on an assignment will result in a failing grade for that assignment, as well as immediate placement into academic probation. The student must meet with the Academic Dean.
3. A second plagiarism offense will result in a failing grade for the course.
4. A third plagiarism offense while enrolled at ABC will result in suspension from the College.

The suspended student may reapply for admission after one year.

GENERATIVE ARTIFICIAL INTELLIGENCE USE

Students are permitted to use Generative Artificial Intelligence (GAI) in programs and software which assist with spelling, grammar, and basic wording choice. However, unless otherwise noted, utilizing sentences or multiple words that come directly from Large Language Models and use of GAI for substantial completion of work is not permitted. Likewise, directly entering assignment or test questions is not permitted. Faculty may allow a degree of GAI in coursework not to exceed 25% of any individual assignment or overall coursework. When a student complies with this allowance, they must properly include citations. Any use of GAI beyond spelling and grammar by students or faculty should acknowledge the use of GAI, and when in doubt, should always be disclosed. Academic honesty communicates exactly from where thoughts, concepts, or phrases come. Citing sources of direct quotes or paraphrases is always best and this includes GAI content.

SCHOLASTIC HONORS

Students carrying twelve hours or more, and who maintain a grade point average of at least 3.00 in any semester, are placed on the Dean's List. Students under the same qualifications but maintaining an average of at least 3.50 are placed on the President's List.

SILVER DISC AWARD

The Silver Disc Award is a sterling silver pin presented to outstanding graduates of the Bible College at the commencement service. This award was first made in 1964. The following standards are used to determine those who are qualified to receive the award: 1) The student must have attended the Bible College for at least three years, carrying a full-time load each semester; 2) the scholastic average must be at least 3.85; 3) the student must have a record of outstanding service and leadership in college organizations and activities; and 4) the student must be elected to the award by the college faculty. This award represents the endeavor of the college to pay special honor to graduates who have rendered unusually distinguished service and who have attained rare academic excellence.

GRADUATION REQUIREMENTS

To graduate the student must meet the requirements listed under either the Associates in Theology and Ministry (two-year) or the Bachelor of Theology (four-year) (see page 30 page with requirements for degrees). Students must do acceptable work and have a grade point average (GPA) of at least 2.0 ("C"). All accounts with the college must be paid. In order to receive a degree from Atlanta Bible College, at least half of the degree work must be completed at Atlanta Bible College. This means at least 30 credit hours for the Associate in Theology and Ministry and at least 63 credit hours for the Bachelor of Theology.

Occasionally, the Academic Dean can adjust course requirements to meet special needs. For example, if it is not possible for a student to take "Principles of Counseling", it is permissible to substitute another counseling class to meet this course requirement. Substitutions may become necessary in cases where a student enrolls at ABC with an associate degree (60 semester hours) and would like to finish the Bachelor's degree in two years. Since the student will need to take all required Bible and Ministry, plus a couple of General Education courses, there may be scheduling conflicts which will prevent a student from taking all the courses. Distance learning may be an option in such cases, but the Academic Dean can make minor adjustments as necessary.

INVOLVEMENT IN CHRISTIAN MINISTRY

SPREAD THE GOSPEL TO YOUR COMMUNITY

The essence of the Christian faith lies in relating divine truths to human realities. We encourage all students to be actively involved in the church where they attend so that they are confronted with reality and are brought into vital relationships with people. This practical involvement in a local church is the place where classroom instruction will become functional, integrating academic content and practical experience for the personal development of the student in areas of Christian service. Ministry courses will often include a practical application component with specific assignments for participation in local church ministry.

INTERNSHIPS

Students planning to become pastors in the Church of God General Conference (headquarters in McDonough, GA) serve nine to twelve months in an internship. The internship is administered by the Bible College and is supervised by a cooperating pastor in a Church of God General Conference congregation. The typical procedure is for one to spend a school year as an intern pastor immediately following graduation. Other plans may be developed based upon the student's academic standing, summer experiences, and/or special needs.

LICENSURE

Graduation from ABC does not guarantee licensure for ministry in the Church of God General Conference or any denomination. Students seeking licensure must apply to the Church of God Ministerial Recognition Board or one's own church or denomination and meet their requirements.
